

Logan Housing Care Coordination Group (LHCCG)

LHCCG is a client centered, multi-agency, whole-of-government team approach to coordinating services for homeless people with complex and long-term needs

We are looking for referrals from services that have identified people that may need extra supports to prevent homelessness or support those people at risk of homelessness and meet the following criteria.

Criteria

The LHCCG will provide inclusive, place-based supports to:

- **Individuals, groups and families experiencing, or at imminent risk of homelessness with reported complex, multiple or other vulnerabilities requiring a multi-agency response.**
- **Individuals, groups or families experiencing chronic, enduring homelessness.**
- **In the first instance, referring Organisations need to have tried to meet the needs of the client, prior to referring to the LHCCG.**
