

## Moreton Bay Community of Practice *Learning in landscapes of practice*

- What is Community of Practice?
- Why would we create a Community of Practice?
- How could a thriving Community of Practice contribute to your practice, your clients and your organisation?
- Have you considered the value of sharing your wisdom, skills and experience within a Community of Practice?

***Following the impact of COVID-19 this is an opportunity to reflect, be inspired and re-energise.***

**You are invited to join with us to develop a Housing & Homelessness Community of Practice in Moreton Bay**
